Walk for Energy

Please read the following entry submitted by Annie Kelly, a recent graduate of Lincoln School. She is encouraging citizens of all ages to join Walk for Energy on Town Day. Former classmate, Paul McGeehan, will help organize the walk. Attached is a registration form with additional information:

“My group, who includes Sayak Chatterjee, Kate Cashion, Paul McGeehan, Alex Farone, and Annie Kelly, has decided to do a Walk for Energy on June 6 (Town Day). This is the registration form for this walk. The first 95 people to register get a water bottle. If you could get these registration forms to your teachers by Friday, May 29 that would be great. Any registrations after that will not be accepted. Thank you for all who are participating. If you have any more questions, please contact Annie Kelly at walk4environment@gmail.com.”

Clean Up Day

Thank you to Rachel and Keith Whitehouse for organizing another Lincoln School Clean up Day. With so many families pitching in, the school grounds were transformed in a few hours. This biannual event is yet another way that Lincoln School families show their generosity and support. Our school building is grand and the manicured grounds add to its beauty. Thank you, Lincoln Landscapers.
